

Do you have questions about heart surgery that could be answered by research?

HEART SURGERY PRIORITY SETTING PARTNERSHIP

We want new ideas for research into heart surgery which could help patients in the future.

We want to hear from ANYONE with an interest in improving healthcare for heart surgery patients. We are the Heart Surgery Priority Setting Partnership, a collaboration between the University of Leicester and the James Lind Alliance, funded by Heart Research UK.

Ask us questions about anything related
to heart surgery

YOUR FIRST QUESTION
